CONFIRMATION OF ORAL RESTRICTION REQUIREMENT AND ELECTION

Commissioner for Patents  
P. O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This is to confirm the recent telephone conversation between the Examiner and the undersigned regarding a two-way restriction requirement between article claims 1 and 9 to 11 and method claims 2 to 8 and applicants' election with traverse of claims 1 and 9 to 11 for initial examination.

The election is made with traverse because there is no indication in the record that the subjects matter of all claims cannot be examined readily at the same time.

An early examination of at least claims 1 and 9 to 11 is earnestly solicited.

Respectfully submitted,
